

Allegheny Highlands Council
Boy Scouts of America

How to sign up for camp

Site Reservations

Site reservations must be made by completing a hold-a-space form. This form must be filled out completely and sent to the council office or turned in while you are at camp.

Payment and registration

Registering your troop or pack for camp has gotten a lot easier! Just complete a Troop or Pack registration form and a Troop or Pack roster. Send those in to the council service center with a single check for payment. Boy Scouts cannot register individually unless they are camping provisionally. Cub Scouts cannot register individually unless they are attending Parent/Pal weekend. Once your roster and payment are received you will receive a confirmation by email.

Boy Scouts

All Boy Scouts should sign up as a troop. Boy Scouts who are not camping with their unit must register by completing a Provisional Scout Application form and send it along with payment to the council office. Scouts using the Twice as Nice program would also use the provisional camper form. Once your roster and payment are received you will receive your user name/password for online merit badge pre-registration by email.

Older Boy Scout Adventure

If any of your scouts are participating in the Older Scout Adventure at camp, please place an X in the OSP box on the troop roster. Also adjust the amount due to reflect the additional cost. Be sure to total the form and check it over before sending.

Cub Scouts, Webelos and Parent/Pal

All Cub Scouts and Webelos should sign up as a pack. Cubs and parents attending the Parent/Pal weekend should use the Parent/Pal form.

Any forms sent in with incomplete information will be returned possibly causing your unit to miss out on valuable discounts or possibly lose your site altogether.
