Dear Scoutmaster,

We are extremely proud of Elk Lick and Camp Merz, and we continue to make sure your boys experience great scouting at our two camps that we love.

Over the last year, more improvements have happened to make our facilities even better.....and our promise to continue those efforts is holding true.

Your loyalty to us is something we want to continue to earn, and not just expect.

If there is anything we can do to make your stay better, please ask us.

The experience your scouts get this summer is very important to us, to you, and to your boy's parents. Everything we do is related to just that. A great time and earning some merit badges too!

Thank you for all the time and effort you put into the boy scouts. Your commitment to your boys is what motivates them, and us!

*John Wojciechowicz
Scout Executive*

Elk Lick Scout Reserve

Nestled in the Allegheny Mountains, Elk Lick boasts 985 acres of woodlands in the Pennsylvania Wilds near Smethport. It is a perfect setting for hiking, camping, and mountain biking. The camp also has a swimming pool, and boating and canoeing are done on our small lake.

Some of the special programs offered at Elk Lick include climbing and rappelling, black powder & skeet shooting, and mountain biking. We also offer scouts the opportunity of 7 different outpost programs that are in conjunction with merit badges, or just for the great outdoor experience.

Besides the 38 merit badges we offer, our first year camper program is designed to offer instruction covering most of the requirements needed for first class. From outpost camping to outstanding campfires, we stand ready to make your week at Elk Lick one filled with fun, learning, and fellowship.

Camp Merz

On the shores of Lake Chautauqua in Western New York, Camp Merz has 340 acres of forest and over 1000 feet of lakefront. The waterfront offers opportunities for swimming, rowing, canoeing, kayaking, motorboating, waterskiing, and sailing, and our Lakeside Aquatics Center make our waterfront A1. Our Shooting Sports Complex offers 22's, black powder, and skeet shooting. Our dining hall has a pavilion out back for cool fresh air dining.

Along with 40 merit badges offered, Nimawanachin – our first year camper program, offers instruction covering most of the requirements needed to get a scout to first class. From archery to nature study to scoutcraft, Camp Merz has a lot to offer your scouts, from outpost camping and camp-wide competitions, to new older scout adventures.
