

ADOPT A SITE / CABIN

WHAT: Adopt a Campsite or Cabin at Elk Lick Scout Reserve, or Camp Merz, for a weekend. In turn for doing an approved service project at either of our camps, you will be allowed to stay at camp free for that weekend. This is an opportunity to help us make our camps facilities better while spending the weekend there with your scouts. These projects do not include Orlos Lodge at Elk Lick, or Dawson Center at Camp Merz, except under special circumstances.

WHEN: You pick the weekend. We need at least two months lead time to review your project, and to make sure materials needed are in place. The project you do must be preapproved before you start. For ideas on projects, you must talk with the camp rangers to see what projects are needed in what areas. There are plenty of projects for all ages and skill levels.

HOW: Just fill out this form and turn it in to the scout service center. We will then relay it to the appropriate ranger for follow up with you to arrange the details. It's that easy!

Pack, Troop, Crew, Post (circle One) # _____ Town _____ District _____

Name of Leader in Charge of Project _____
