Dear Cubmaster, Scoutmaster, Advisor,

Winter 2012

The **Annual Bowl A Thon** is a great way for your Pack, Troop, Post or Crew to have a lot of fun and make some money too. Bowling dates start on February 26 and go through March 10 and will be scheduled based on your unit and the availability of the alleys. Our district executives will work with you along with local alleys to make the date you bowl fit your schedule. Todd & Wayne will be scheduling dates and times for units that sign up to participate.

Please send in your sign up form and **contact you District Executive as soon as possible** to schedule your unit to participate. He will make all arrangements and contract with the local bowling lanes. Please review all of the information in this packet so that you are up to speed.

The rules for the Bowl A Thon are explained on the pledge form. Participants must raise at least \$25 in pledges to earn a patch and free bowling, \$50 to earn a King Pin T-Shirt, and \$100 to participate in Kingpin Prize Night. We will have, as usual, awesome prizes for your Kingpins. The Prize Night qualifiers will be sent an invitation to participate and is limited to youth members only.

Important Dates:

- ~ January Kickoff – January 11 in your district, get your materials
- ~ ASAP – Schedule the bowling date and time with the District Executive.
- ~ After bowling - Prize sheet and Unit report form due to the Scout Service Center
- ~ March 26th – Money due to the Scout Service Center.
- ~ April 19th is Kingpin Prize Night for scouts who earn \$100 and up.
- ~ May Roundtable - Bowlathon Patches and Shirts to be available for pick up by your unit.

Adults are encouraged to participate in the Bowl A Thon. **Please make sure all money due and unit report forms are turned into the Scout Service Center by March 26th.**

Patches and t-shirts will only be available after the unit has paid their portion in full.

Thank you for being a part of a fun event, and don't forget, there are advancements that can be earned by our scouts for bowling. Let's make a lot of Strikes for Scouting...
