Anniversary Tribute Markers

Join us in celebrating the 100th anniversary of the Boy Scouts of America by leaving your legacy for all to see! We will be installing three tribute markers, which will be placed at the Scout Service Center, Elk Lick Scout Reserve, and Camp Merz to commemorate the BSA's one hundred year benchmark. Supporters of this project are invited to sponsor one engraved brick, or three engraved bricks at all three locations. This program begins June 30, and ends December 31, 2010. The bricks will be installed during the spring of 2011, just in time before summer camp.

Your bricks can commemorate you, honor a family member, your Pack, Troop, Post, or Crew number can be on it, your charter partner, your company or organization, someone who has passed away who Scouting meant a lot to, a great leader who influenced your life, to honor an Eagle Scout, or a Silver Beaver, and OA member, it's up to you! This landmark will be there for future generations of scouts to see. The funds from this one-time effort will go to our council endowment fund as restricted, and only the interest it generates will be used to help scouting in our Council, forever! Your gift of \$200 can also be applied as your first installment towards a James E. West Fellow, which is a National recognition for giving \$1000 to a council endowment. Ask us about this great investment in the future of our council.

*Special Note: This project is totally funded by Curt Crandall, Eagle Scout and Executive Board member.
