Previous NYLT Staff Positions _____

I have read, abide, and signed the NYLT Course Code of Conduct. Discipline for inappropriate behavior will be determined by SPL, SM, ASM of Service, ASM of Program. Depending on the Code broken might include immediate expulsion from Course. I also pledge to make every scheduled training that you possibly can. Perfect training attendance is not required, but your assignments will change as absences add up. There will be a point though that you have a meeting with the SPL and SM to see if you have the necessary commitment to staff this elite course.

Youth Staff Member and Parent Signature _____

There will be three different types of trainings scheduled before course set up: 1 day (5-6 hours), an overnight, and weekend. Most of these will not be mandatory, but some will be. The dates are still being considered, because of scheduling with other scouting events (Allegheny Highland and Greater Niagarar Fronteir councils.) and site availability. Once date, time, and site are determined the SPL and I will let the staff immediatly know.

Trainer's Edge & Staff Development are NOT Mandatory, but you may arrive late or early. Your attendance will effect assigned positions and responsibilities which will be determined by SPL and Scoutmaster

* Pre Course will be course Set-Up and Course Weekends are Mandatory

** There will be assigned responsibilities determined by SPL depending your assigned position

**** There will be Individual and or Combined Patrol (Program, Service, Quartermaster, Troop Guide) 1 Day Trainings. These dates will be determ ined by SPL and SM.
